**AJSimboli Real Estate Re-Brands as  
The Simboli Properties**

**(Chelsea, MA)**- Anthony J. Simboli, President and Founder of AJSimboli Real Estate, has re-branded the company as The Simboli Properties. The Simboli Properties is a vertically integrated company; it develops, constructs and manages all of its own properties, while providing facility services and turnkey construction for its tenants.

The Simboli Properties totals more than 328,000 square feet of office and industrial space including numerous federal tenants in Chelsea such as Social Security and the Transportation Security Administration, and Mass General Hospital. Simboli owns the historic building on Boston's Stuart Street, which houses restaurant and piano bar Jacob Wirth. The Simboli Properties is also a co-owner of the Little Corner SchoolHouse III, a Brookline-based early education facility.

"It's all about service," said Simboli. "Our company has had tremendous success, and I very much look forward to looking at unique projects for further development and investment opportunities both in and outside of Chelsea."

Simboli is a longtime Chelsea-based entrepreneur, an MIT and Princeton alum. Simboli's real estate career began early when as a child he rood "shot-gun" as his father scouted new locations for Sunnyhurst Farms, the family business. He worked in facilities management and real estate lending before beginning his lengthy career with their company.
